To the Canadian Feminist Alliance for International Action:

Yes, I'm ready to support women's human rights and I agree that Canada has more to do to meet its international obligations to women's equality.

If elected, I will take concrete and immediate measures, as recommended by the United Nations, to ensure that Canada fully upholds its commitments to women in Canada.

Sincerely,

*Hon. Stephen Harper, P.C., M.P.
Leader of the Opposition
Leader of the Conservative Party of Canada*
